

NOACSC – Northwest Ohio Area Computer Service Cooperative
Harmony Dashboard Application

Applicant Information

| | |
|---------------------|--|
| Name (First & Last) | |
| School District | |
| Position | |
| Email Address | |
| Phone Number | |

Notes:

- Dashboard features include data from all areas of Student Information, which will contain sensitive data.
- If the applicant does not currently have a Harmony account a new Harmony account will be created for the applicant, also granting the applicant access to the Student and Contacts categories in Harmony.

Select Buildings for Dashboard Access

Elementary

Middle School

High School

For Districts with multiple Buildings: Use the Comments Box below to list specific buildings for the Applicant. For example: Lima City Schools has three Middle Schools and the Applicant should only have access to North Middle School. Check Middle School above and write "North Middle School" in the Comments below.

Comments:

Required Signatures (Application will not be processed without signatures)
